

FLEXI BFSS RANGE

Space Saving Sports Bottle Filler

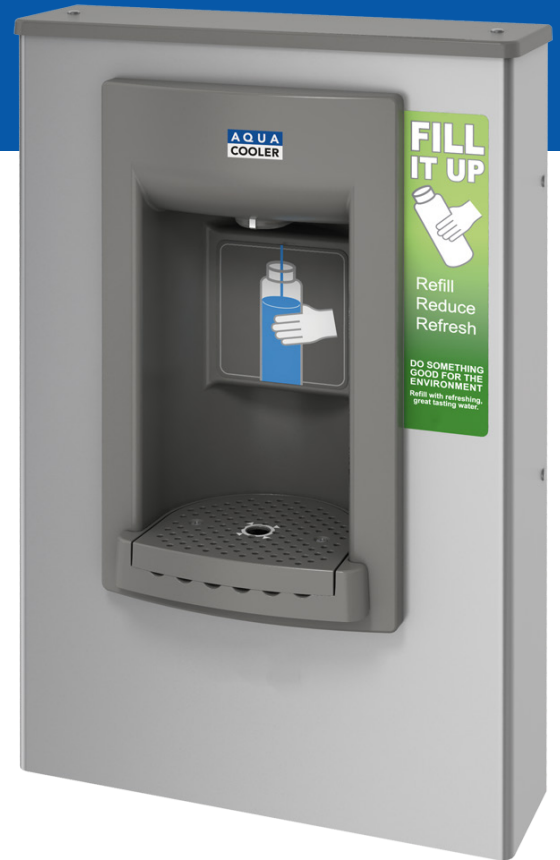

The Flexi Series BFSS is a wall-mounted non-refrigerated bottle filling fountain.

KEY FEATURES

- Built-in 100 micron strainer stops particles before they enter the waterway
- Waterways are Lead-Free in materials & construction
- Welded, Heavy-Gauge Steel Wall Mounting Frame
- Flexible one piece water saver bubbler guard
- Built in drain - NO drip tray to empty
- No electricity required
- Limited 5-year Warranty

The Aqua Cooler Flexi BFSS Range is the perfect space saving bottle filler for any environment. Its lightweight and strong frame ensure that it can be safely mounted onto any sturdy surface. The BFSS is non-refrigerated and comes in two options, a manual filler or a easy to use automatic hands free dispenser.
